• Metal Components & Products Manufacturing
• Mining & Quarrying
• Oil & Gas
• Rubber & Plastic Products
• Sales Agents & Distributors

Exhibit Profile
• Metal-cutting Machinery
• Metal-forming Machinery
• Metal-cutting Tools
• Additive Processes
• Welding Devices
• Manufacturing Software
• Control & Measuring Machinery
• Thermal Treatment & Coating Equipment
• Automated Systems
• Welding Equipment

“Within the first hour of the show we sold our first machine and business remained good for all four days. We will definitely be back!”
Mr Bertan Tumer, Senior Sales & Marketing Executive, Baykal Makine Sanayi ve Ticaret A.S. Exhibitor at Machine Tool Indonesia 2011

With a combined population of over 600 million and a GDP of US$ 1.8 Trillion the ten ASEAN member countries of Singapore, Thailand, Malaysia, Indonesia, Vietnam, Philippines, Myanmar, Laos, Cambodia and Brunei rank as the ninth largest economy in the world.

Importing more metalworking technology than India or Russia, and with an annual GDP growth rate of over 6% this is a major export destination of global significance for manufacturers.

With few domestic manufacturers of machine tools or precision engineering technology this market is wholly reliant on imports.

Quality Exhibitions
In Dynamic Markets

Over the past forty years our shows have helped tens of thousands of companies from around the world establish themselves in the emerging markets of South East Asia.

With eleven Allworld member companies, over thirty sales offices and more than sixty shows in the next eighteen months, including six specialist manufacturing technology exhibitions, we are able to offer a continually developing programme of high quality events that serve the needs of companies of all sizes and from all industry sectors.

Quality is the Hallmark of Allworld Exhibitions; quality of organisation, quality of exhibitors, quality of buyers and an outstanding quality of service.

We work with you to successfully market your products and services in new and ever changing business environments.

For further information on any of these events please email manufacturing@oesallworld.com or call +44 207 840 2133
