Quality Trade Exhibitions with a Proven Track Record

These trade exhibitions are organised by Allworld Exhibitions' member companies who have been running trade shows in Asia and the Middle East for almost 40 years.

We continue to provide exhibitors ranging from SME's to large multi-nationals with unrivalled opportunities to penetrate new markets or grow market share within them. This is often achieved by a combination of technology displays, seminars, conferences and matchmaking events allowing participants to extract maximum value from the exhibiting experience.
